& let's accelerate Europe

EUROPEAN FUNDING

There are **95 billion €** budget for the current EU and specific programs for Startups. You can check some of the opportunities here . Yep! Hundreds of opportunities at any given time... with a lot off "blah blah" and many programs for Startups are subprograms which have their own website....

STARTUP

You have a project
trully innovative

You can show its potential
and that it will generate economic impact

You can convince experts
and reviewers of the European Commission

EUROPEA.RED's *rocket*

At any given time there are hundreds of public funding calls being opened and closed. If you don't have time or budget NOW, with EUROPEA.RED, you have the chance to be warned about those opportunities that apply to YOU. Big companies hire people just to do that but we know that's not your case (yet).

*From **Startup to Startup**:* we both want to improve the world and we want to do it fast, so, here is your chance:
EUROPEA.RED's rocket is a service that allows you to get just those grant opportunities that fit you. Moreover, with **rocket** you will also be eligible for funding programs that require several partners.

If you have time, use it.

Can you afford to spend several hours every day to look for funding opportunities? We can.

Rocket's launch: MAY 2022
